

Information til beboerne i Mjølnerparken 6-10, Karré I:

Fra og med mandag 23.januar til og med fredag 10.februar, vil Velfac komme for at udskifte karme og rammer i alle vinduer og altandøre.

Arbejdet vil blive udført med lift, udefra, men der kan forekomme behov for at komme ind i jeres lejlighed for at sætte karmen korrekt på. Vi vil i så tilfælde kontakte jer, for at bede om adgang.

Vi beklager, de gener det evt. medfører. Vi arbejder så hurtigt vi kan.

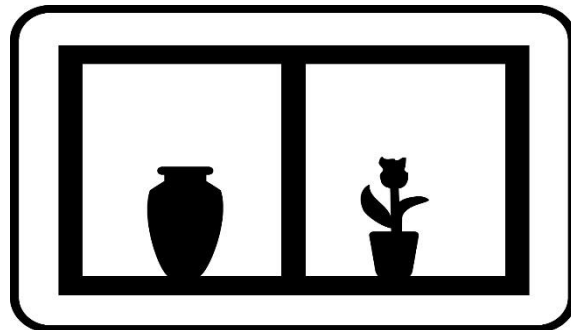

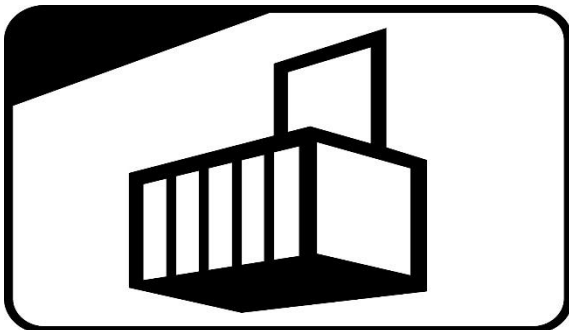

Med venlig hilsen

Bo-Vita og **NORDSTERN™**

Information to the residents of Mjølnerparken 6-10, Karré I:

From Monday, January 23rd to and including Friday, February 10th, Velfac will come to replace all frames in and around all windows and balcony doors.

The work will be carried out with a lift, from outside, but it may be necessary to enter your apartment to put the frame on correctly. In that case, we will contact you, to ask for access.

We apologize for the inconvenience. We work as fast as we can.

Regards

Bo-Vita and **NORDSTERN™**
